SCHEDULE

Definition

1. In these regulations any word or expression to which a meaning has been assigned in the Act has the meaning so assigned and, unless the context otherwise indicates—
“Regulations” means the Regulations Relating to the Practice of Pharmacy published under Government Notice No. R. 1158 of 2000.

Amendment of regulation 14 of the Regulations

2. Regulation 14 is hereby amended by substitution of regulation 14 for the following:

“Supervision of pharmacy support personnel and pharmacist interns —

14. (1) A pharmacist in a community or institutional pharmacy may have a maximum of three pharmacy support personnel under his or her direct supervision: Provided that a pharmacist who is a tutor to a pharmacist intern or a pharmacy technician (trainee) may have a maximum of two pharmacy support personnel under his or her supervision.
- (2) A pharmacist in wholesaler or manufacturing pharmacy may have a maximum of five pharmacy support personnel under his or her direct supervision: Provided that—
 - (a) a pharmacist has no more than three pharmacist's assistants (learner basic), pharmacist's assistants (learner post-basic), pharmacy technician (learner), or pharmacy technicians (trainee) under direct personal supervision;
 - (b) a pharmacist who is a tutor to a pharmacist intern may have a maximum of four pharmacy support personnel under his or her supervision, of which

only two may be pharmacist's assistants (learner basic), pharmacist's assistants (learner post-basic), pharmacy technicians (learner), or pharmacy technicians (trainee);

- (3) A pharmacist who is a tutor to a pharmacist intern undergoing internship at a provider of an education and training programme approved by the council for purposes of registration as a pharmacist, may act as tutor to a maximum of five such interns and no pharmacy support personnel;
- (4) A pharmacist who supervises pharmacist's assistants (post-basic) or Pharmacy Technicians at a PHC or any other facility approved by council may have a maximum of five pharmacy support personnel under his or her indirect supervision.
- (5) A pharmacist may supervise a combination of pharmacy support personnel and interns in accordance with sub-regulations (1) and (2) or in accordance with guidelines as provided by council from time to time.
- (6) For purposes of work-based learning or training under the auspices of a provider, in respect of education and training, Council may determine the supervision ratios from time to time."
